

UNIVERSITY OF SCIENCE, VNU - HCM
WEEKLY REPORT
Semester I – School Year: 2022-2023

Course name:	PRORAMMING FOR DATA SCIENCE	Course ID:	CSC17104
Time limit:	14 days (including due time)	Due Date:	26/12/2022

WEEKLY REPORT II

I. Team members:

20127028 – Võ Văn Hoàng
20127054 – Ngô Văn Trung Nguyên

II. General Planning:

a. **Date and places:**

Starting time: 09:00 A.M 26/12/2022, on **Google Meet** channel of Vo Van Hoang
Ending time: 10:30 A.M 26/12/2022, on **Google Meet** channel of Vo Van Hoang
Link Google Meet: <https://meet.google.com/jdv-gjbm-cmb>

b. **Team members present:**

20127028 – Võ Văn Hoàng
20127054 – Ngô Văn Trung Nguyên
• No one is absent!!!

c. **Main content:**

- Now, after do almost the preprocessing, we are going to check this phase one more time in ordeer to make sure that all the column and row in the dataset is good to use for analysing.
- After that, we are going to think and get some idea about the question of this project. We decided to do 3 questions which can use different culumns of each orther.
- We will work together about 3-5 times offline this week, and everything of the progress is still fine now.

UNIVERSITY OF SCIENCE, VNU - HCM
WEEKLY REPORT
Semester I – School Year: 2022-2023

Detail table of each member's work in week 2:

Serial number	ID	Name	Task
1	20127028	Vo Van Hoang	<ul style="list-style-type: none">- Preprocessing the dataset for the project- Try to represent clearly in file notebook- Think 1 or more questions and be able to answer what this question is used for- Commit file on Github on time
2	20127054	Ngo Van Trung Nguyen	<ul style="list-style-type: none">- Check, fix and add necessary thing to fulfill the Preprocessing stage- Arrange the schedule of team meeting- Commit file on Github on time- Think 1 or more questions and be able to answer what this question is used for

III. Final result:

- All of team members is on time in every meeting
- All team members have good connections and high responsibility.
- Both of us do the Preprocessing together, it is 90% completed till the time writing this report.
- Some questions are given. But they are still not useful so that we are still thinking more.

THANK YOU TEACHER FOR READING OUR REPORT!!!
